WYOMING GAME AND FISH COMMISSION

CHAPTER 49

REGULATION GOVERNING PRIVATE FISH STOCKING

W.S. §23-1-302 empowers the Commission to promulgate rules and regulations for stocking fish in the waters of Wyoming.

“Old” Sections 2, 15 and 16 have been deleted from this regulation in compliance with the Governor’s rules initiative and direction to reduce the number and length of rules where possible. Some terms are also being deleted which are defined in other Commission regulations.

Minor grammatical and formatting edits have been incorporated to provide additional clarity but do not change the intent of the rules and regulations.
